Narayan Sethuramon s/o Sri V. Srinivasan, has been a devotee of Swami since birth. His Family is actively involved in Sai Seva. Late father Sri. V. Srinivasan, was member, Sri Sathya Sai Central Trust and All India President, Sri Sathya Sai Seva Organization India. Late Mother Mrs. Vidya Srinivasan, was National Balvikas Coordinator. Narayan achieved a national rank in Balvikas (SSE) program in India. Had the blessing of Swami staying few times at their home and several divine experiences.

Narayan Sethuramon, currently is the Managing Director of Sanmar Engineering Technologies Limited – Steel Castings Division. Prior to this he served as the President and Chief Executive Officer for MacLean Asia Pacific, which is an integral part of the US-based MacLean-Fogg Company, global manufacturers of automotive component and power utility products. Earlier, Narayan served as the Managing Director and Chief Executive Officer of the Chennai-headquartered WS Industries (India) Ltd, a world-class manufacturer of electrical equipment, with manufacturing centers of excellence in India.

Dr. Bharat Datt was drawn into Bhagawan's presence for 12 years from 1982 to 1994 spanning 11th grade to his Masters in Bio-sciences in Prasanthi Nilayam. Following post-graduation, he worked as faculty and later at the Sri Sathya Sai Institute of Higher Medical Sciences Puttaparthi. During his time, he was an integral part of the Parthi bhajan group singing bhajans in front of swami daily from 1984 to 1994. Was a part of a number of Devotional programs performed at Guru Purnima, Maha Sivarathri, Swami's birthday and others. He played in many recordings/performances including rama katha and sai katha. Also played background music for many dramas directed by the lord himself. With Swami's blessings he also had the opportunity to accompany on the harmonium great artists like MS Subbulakshmi, P Susheela, P Leela, Malaysia Vasudevan, Pandit Jasraj & Pandit Bhimsen Joshi. He also accompanied the jazz trumpeter Maynard Ferguson on the Piano & the Accordion. Bharat has great passion for the bhajan genre and the fusion of western & Hindustani to augment devotion. He has also sang & produced 3 bhajan albums, Echoes of the Past, Eternal Quest & My Soul at your lotus Feet.

Currently resides in New Orleans and is the Director of Pediatric Perfusion at Children's Hospital of New Orleans, a part of LCMC health.
